

Short system information concerning Håkan Sträaf-Jan-Erik Thomasson

We don't have any brown sticker conventions. The closest thing is the 2♦ Multi opening showing a loose weak two bid in either major or a strong balanced hand with 21-22 hcp.

The only defensive bids that might require a discussion is our defence versus a strong 1♣/♦.

D	At least 4-4 in ♦+♠, destructive.
1X	Natural overcall
1N	At least 4-4 in ♣+♥, destructive.
2♣	♣ or ♦+♥.
2♦	♦ or ♥+♠.
2♥	♥ or ♠+♣.
2♠	♠ or ♣+♦.
2N	♣+♥ or ♦+♠.

The same methods are used after (1♣) - p - (1♦)/(1♦)-p-(1H). After a positive response to 1♣/1♦, overcalls are natural, no trump bids are unusual and doubles are destructive and for take-out.
